December, 2011

Dear New Student,

Welcome to UMA-Bangor, a campus of the University of Maine at Augusta! We are pleased that you are considering joining our college community in the spring. To ensure your success and to provide a smooth transition, we have scheduled a **New Student Orientation Program for Tuesday, January 3, 2012 (snow date: January 4)**. Mark your calendar today and fill out the **online Reservation Form** at www.uma.edu/UMA-Borientationform.html or return the reservation form included in your packet, by **Wednesday, December 28**. To receive a confirmation of your reservation and a campus map, please include an email address that you check regularly. If you are returning your reservation by mail and would like email confirmation, please print your email address clearly. **New Student Orientation packets are individualized, which is why it is SO IMPORTANT that you let us know you plan to attend.** Reservations received after December 28 will not have an individualized packet and confirmation may not be possible.

This program is designed for all students new to UMA-Bangor, regardless of where they attend classes, or whether they are a first-year, transfer, or returning student. As you will note on the brochure, we have arranged an opportunity for you to get answers to questions and learn more about what to expect at UMA-Bangor and what we expect from you. Information regarding a full array of student services will be available. In addition, workshops focused on enhancing your experience will be offered. Most importantly, you will meet some of your new classmates, faculty, and staff. Family members and friends are welcome to join us for the day. **When friends and family are joining us, please fill out the Reservation Form and let us know how many will be joining you.**

You may be eligible to participate in multiple orientations. In addition to this New Student Orientation Program, UMA provides an orientation at the Augusta campus. The University College Learning Services offers an online orientation to distance learning (<http://learn.maine.edu/get-started/orientation>). Center orientations are available through most University College Centers. For specific times on each orientation session, visit their web site at <http://learn.maine.edu/> and select the appropriate center.

If you have any questions about the New Student Orientation Program process, please call 262-7808 or email mower@maine.edu or sbarlow@maine.edu.

I look forward to meeting you on January 3!

Cordially,

A handwritten signature in cursive script that reads 'Marcia Mower'.
