*Positive Outcome includes employment, education, and service. Rate based on graduates included in First Destination knowledge rate for this cohort: 49% (239/492). % of employed working full-time is based on those who reported employment details.

**Based on graduates who responded to the long-form survey. Satisfaction includes responding "Extremely satisfied" or "Somewhat satisfied" on a five-point scale of overall satisfaction with the education in their degree program. Career related to major includes responding to "Directly related" or "Somewhat related" on a three-point scale. Prepared includes "Very well" and "Moderately well" on a four-point scale. Internship data collected through long-form survey and the application for graduation.

***Occupations based on the Standard Occupational Classification system of the Bureau of Labor Statistics.
