

# VETERINARY TECHNOLOGY

## ADMISSIONS CRITERIA

### *Pre-Requisites for Program Eligibility:*

- Cumulative GPA of 2.75 or higher
- High School Biology with Lab with a grade of C or higher
- High School Chemistry with Lab with a grade of C or higher

*All applicants are ranked utilizing the scale below. The highest ranked applicants are offered admission.*

High School Applicants	Current College Student/Transfer Applicant
High School Cumulative GPA 35%	Cumulative GPA 40%
High School Biology with Lab 15%	Biology (BIO 100 or BIO 110) 15%
High School Chemistry with Lab 10%	Mammalian Anatomy & Physiology I (BIO 115) 10%
High School Math 15%	Mammalian Anatomy & Physiology II (BIO 116) 5%
Anatomy & Physiology 10%	Microbiology with Lab (BIO 265 or 321) 5%
Physics 5%	Chemistry (CHY 100 or Higher) 5%
Honors/AP Science Courses 10%	Introduction to Veterinary Technology (VTE 100) 10%
	MAT 100 or higher 10%

\*\*Grades of "W" or "L" on official transcripts for current college students/transfer applicants will be taken into consideration in the review process. Excessive withdrawals could result in a lower ranking.

\*\*\*Only courses accepted for credit will be rated. Courses taken at non-regionally accredited institutions will not be given consideration in the review process.
