Re: Addendum No. 1 to the Re-Issued Bidding Documents for Katz Library HVAC Improvements

Please include the following recommended changes:

**GENERAL**

A. Attached please find existing electrical lighting plans for the facility, as received of UMA, issued for reference only in anticipating the scope for lighting removals and reinstallations; the accuracy of these plans has not been confirmed and should be verified in the field.

**CHANGES TO THE DRAWINGS:**

A. SHEET AD 1.0, First Floor Reflected Ceiling Removals Plan: **DELETE** the Sheet in its entirety. **ADD** in its place, Sheet AD1.0, attached, reissued with revisions to revise existing wall configuration to match actual conditions in Room 42.

B. SHEET A1.0, First Floor Reflected Ceiling Plan: **DELETE** the Sheet in its entirety. **ADD** in its place, Sheet A1.0, attached, reissued with revisions to revise existing wall configuration to match actual conditions in Room 42.

C. SHEET M1.0, First Floor Mechanical Plan: **DELETE** the Sheet in its entirety. **ADD** in its place, Sheet M1.0, attached, reissued with revisions to add space exhaust for Class Lab Service 056, add space exhaust for Room 42, and revise existing wall configuration to match actual conditions in Room 42.

Attachments: Sheets AD1.0, A1.0, and M1.0; Existing Lighting Plans (For reference Only)

END OF ADDENDUM #1
