I hereby request a waiver of tuition under the Senior Citizen Tuition Waiver Program. I attest that I am a Maine resident and that I am 65 years of age or older.

I understand that if the University waivers the tuition charges for my class(es), I will be allowed into the class on a space-available basis and I will be required to pay for any course fees. The University reserves the right to cancel and refund my fees if the class becomes full and there are students who pay full tuition waiting to get into the same class.
