Previous

Parade of Lights – our float was a hit, congrats to all for the award. We decided we would like to do it again next year (and hope for warmer weather) and begin planning earlier (October 1st). Early planning would allow us to look into book giveaways.

Current

Finals Week Food – we approved pizza for finals week, beginning on Thursday (12/12) and going through Wednesday (12/18). There was a request for gluten-free food from a student, we will try to have it for them on the day they will be in class.

Holiday Cookies – Julie is making cookies. She has the ingredients already. Thank you, Julie!

Upcoming

Expressions Night – We are shooting for a date of February 26, from either 6:00pm-8:00pm or 6:30pm-8:30pm at Rock City. Need to check for availability. We would like to have a date before Winter Break.

We will be giving $10 Rock City gift cards to students at the event, with a check list at the door.

We plan on using existing sign up sheets and just changing the date.

Crystal Benner has made us a poster. More advertising to come. Word of mouth always important.

Amy working on getting Michael O’Shea to MC the event.

Popcorn Machine – we approved the purchase of a popcorn maker for around $300. To be used on special events, i.e. midterms, finals, etc.

Shelve Space Cleanup/Revamp – we approved the use of $200 for a remodeling of the shelf area in front of the office (the microwave area).

Library of Stuff – we discussed the possibility of a “library of stuff”, where students could check out electronics that we purchased. Note that this is still at the “brainstorming” phase and we haven’t approved of anything yet. Possible items we discussed included laptops, iPads, cameras, Wi-Fi-hotspots.

To be discussed/researched further.

Planning Meeting

We agreed on holding a planning/approving meeting on January 9th from 3:15pm-5:45pm. This will be another brainstorming type session like we had this past summer. Food to be provided.
