

Members in Attendance:

Julie Smith, Chip Curry, Josh Blackman, Karen Kindell, Shale Peters, Jesse Poole

Previous

Trapped 2/7– Successful, 6 out of 6 attended and said it was a lot of fun. Owner reached out to Chip about doing future events. Shale volunteered to host another night on March 13th.

Broadway's Next Big Musical 2/7 – Karen attended and said it was good. 4 of 6 tickets were used. This was during a week with two “snow days” (2/6, 2/7), so this may have been a contributing factor to the two unused tickets. Bear in mind only 4 had signed up prior, though.

Current

SA on Social Media – Shale proposed the idea of the SA branching out into other ways to connect with students about events. Possible ideas considered were a separate SA facebook page or SA emails. The latter may not be possible due to legal constraints. This will need to be researched.

Family Bowling Night (2/21 5:30-6:30p) – Small number of people signed up. Amy hosting. If possible, look into reducing number of lanes reserved (unless, of course, more people sign up before Friday).

Student Activity Fee Vote – Since the fee increase was rejected, Chip gave a conservative estimate of a 10% reduction in available yearly funds for the SA. We may need to realign our priorities in response. Future discussion will be necessary.

Upcoming

Expressions Night (3/25 6:30-8p) – Date has been changed due to staff scheduling @ Rock City. On a positive note, there will be a new sound system at Rock City for the future date. Note that no students had signed up to perform for the previous date of 2/26.

Boston Flower Show (3/14 8a-11p) – Bus has been reserved, 14 available seats (15 when counting driver). Students have already began signing up (Chip thought about 5 so far). Tickets to be purchased “day of”, or close to date of event.

As of now, only students may sign up (at \$10 per student), but we decided on opening sign up to include guests beginning on 3/2. Guest price will be \$25. Note that there is a group discount of 25% for 15 tickets or more.

Blue Man Group (4/02) – 24 tickets have been booked; two busses reserved. (Pizza) dinner at *Old Port Slice Bar and Ice Bar* before event. Chip to call restaurant to confirm date change from Weds. To Thurs. (they were booked for Wednesday). Busses leaving URock at 3:45p. Dinner should be from around 5:30-6:30p. Auditorium near restaurant. Parking between restaurant and auditorium, walking between venues possible.

Registration begins 2/24. Guest price is \$45 (ticket face-value price), student price is \$10. Includes pizza (buffet-style), but not drinks.

Chromebooks – Approved the purchase of two Chromebooks for student checkout.

Rockland Library Partnership - \$45 for non-Rockland residents/\$5 for Rockland residents per year. Shale volunteered to research whether students can use their UM library card at the library.
